

Auburn Agriculture and Natural Resource Protection Subcommittee

AGENDA

April 5, 2018

6:00 – 8:30 p.m.

Welcome and introductions

Purpose of Meeting & Outcome

Review of Minutes

Consideration of new data maps and statistics

Key points from previous meeting

- * Land Values are established by real estate market sales**
- * Market is a necessity for any ag business**

What activities do we want to see happening in the zone? What do we not want to see happening there? Review list of current allowed uses and ideas proposed at previous meeting for voting exercise.

Further consideration of alternatives to the 50% income rule and possible outcomes – Review Ken Meter clarification email.

Looking ahead to April, May and June

April 19th – Postpone Ken’s visit – Are we ready to confirm “if then” and policy Outcomes from consultant recommendations

May 3rd and 17th, June 7th and 21st

Community Conversations and Communicating with all AGRP zone property owners and abutters

8:30 Wrap Up
